Per G.S. Singhvi, CJ

This is a petition for issuance of a writ in the nature of mandamus for appointment of Chairman of the Special Court constituted under Section 7 of the A.P. Land Grabbing (Prohibition) Act, 1982.

On 6-12-2005, the Court had required the learned Government Pleader to get in touch with the Advocate General to ensure issuance of notification for appointment of Chairman of the Special Court.

Today, learned Advocate General appeared and made a statement that report of the Committee constituted by the State Government to go into the working of the Act has been received. According to him, the Committee has suggested some amendments, which will be made in due course. Learned Advocate General also gave out the report of the Committee, does not contain any proposal for change in the qualification etc., of Chairman of the Special Court and that appropriate notification for appointment of the new Chairman will be issued within a period of one month. He then stated that if the petitioner is desirous of expeditious hearing of its case, then it can file an appropriate application before the Registrar of the Special Court for listing of the case before an appropriate Bench.

Learned counsel for the petitioner says that his client is satisfied with the statement of the learned Advocate General.

In view of the above, the writ petition is disposed of as infructuous with liberty to the petitioner to move the Registrar of the Special Court for listing of its case before an appropriate Bench.
